About us

With over 5,000 satisfied clients, we have a lot to be proud of.

Testimonials

"I thought I'd let you know that I received a phone call last night to interview for a position as executive director of a state-wide women's non-profit organization ... I know it was your work ..."

– Elizabeth Randoll

"Thank you so much ... I found a new job. Actually, I got two offers almost at the same time and it's really hard to reject another one. I just wanted to let you know that I am so happy." – Yafei Liu, VA

Sai Strategies, a leading consulting firm, specializes in providing outplacement and career transition services.

Leveraging our experience and success in designing transition strategies for thousands of individuals from diverse backgrounds, we can ensure your displaced workforce will get the highest quality of service and attention.

We offer customized solutions to match your budget and needs, at a fraction of traditional outplacement costs.

About our programs

Our programs focus on only one thing: your needs.

Benefits to your company:

- * Programs that match your budget and needs.
- * Customized programs.
- * Lower post-separation costs.
- * Fewer lawsuits.
- * Increased staff retention.
- * Improved loyalty.

Downsizing is one of the most difficult decisions that senior management has to make. If the decision to downsize is inevitable, though, call our team of experts to help your displaced employees with all aspects of career transition.

At a low per employee cost, we can minimize the transition time and create an effective career plan for the workforce. Whether one employee or many, our services can be conveniently provided onsite or virtually (both group and individual settings).

Advantages to workforce:

- * Access to certified career coaches.
- * Ability to tap into in-house network of 800+ recruiters.
- * Complete suite of services.
